THE SAINT PAUL'S SCHOOL
COVINGTON, LOUISIANA

IN APPRECIATION OF TWENTY-FIVE YEARS

This yearbook is dedicated to Lawrence and Ethel Taylor. The 1975-76 academic year marks the twenty-fifth that Lawrence and "Katin" have served the St. Paul's Community with their devoted and unselfish work in the school's cafeteria.

Lawrence and his wife came to St. Paul's when conditions were none too favorable. In spite of these difficulties, Lawrence took charge and managed to run an efficient and satisfying food service. In spite of rising food prices and food shortages, Lawrence still presents delicious meals topped off with Katin's mouth-watering desserts.

Lawrence and Katin have been more than dedicated employees; they are warm and loyal friends to all who come into contact with them. They are always eager to serve and please, and they ask for little in return. As a small token, we would like to offer our thanks by dedicating this book to them. Surely they prove the old maxim: "The quickest way to a man's heart is through his stomach."

TOP RIGHT: Mr. Lawrence Taylor gives friendly greeting while purchasing food supplies. MIDDLE RIGHT: Lawrence accepts a plaque from Brother David Sinisiere, Principal, at the Christian Brothers' Relays which was dedicated to Mr. and Mrs. Taylor. BOTTOM RIGHT: Katin offers some of her fine desserts.

ADMINISTRATION COMPLETES FOURTH YEAR

Nineteen Seventy-Six marks the end of the fourth year of service for Brother David and his team of administrators. The team concept, adapted from a model used at Purdue University, has helped to divide administrative duties among four Brothers. Day student concerns and boarding student affairs are able to be dealt with more realistically with this approach.

HUMAN GROWTH IS RELIGION DEPT. FOCUS

The Religion program is the focal point of a boy's Saint Paul's experience. As such, it is a participation in and preparation for the experience of life fully lived. The program on each level attempted to take into consideration the religion and personal growth of the student and provided him with an informative, thoughtful, and personal approach to the religious dimension of his life.

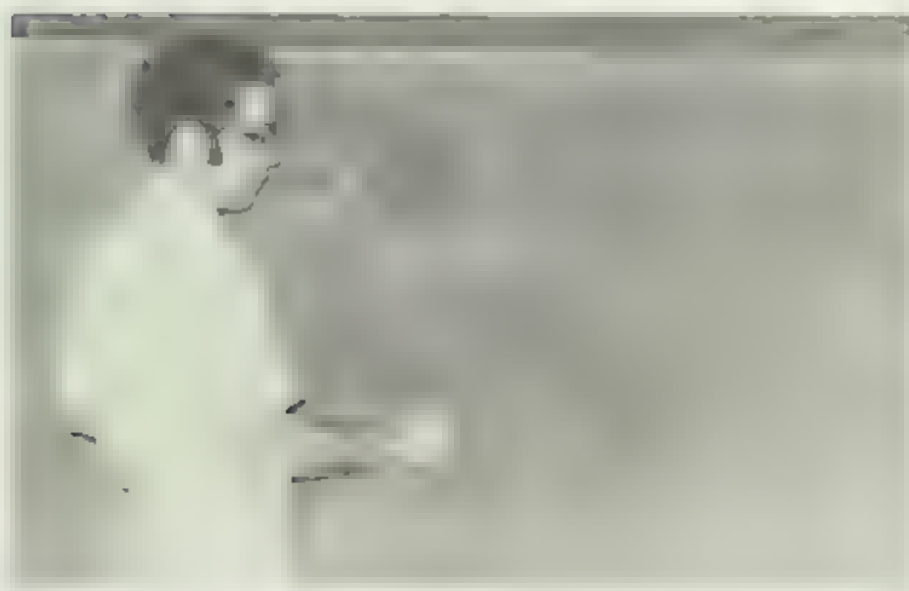

TOP: Brother Jeffrey Calligan. SECOND ROW: Brother Robert Veseliis, Brother Wayne Vignerie. THIRD ROW: Mrs. Pat Daigle, Brother Bernard Belete, Brother Douglas Donahue.

MATH CLASSES DESIGNED TO MEET SPECIFIC NEEDS

Computation and reasoning skills were dealt with on each grade level. The lower levels stressed basic operations progressing to analysis of functions and a Calculus elective on the senior level. Attempts were made to schedule and group students according to ability so that those who lacked fundamentals or who were in need of remedial help could be dealt with more realistically.

TOP: Mr. Paul Parisi. SECOND ROW: Mr. Dick Berkowitz, Brother Mifrado Obach. THIRD ROW: Mr. Joe Ruffino, Brother Peter Tripp, Mrs. Edith Welch.

Language Arts Faculty: TOP ROW (Left to Right): Brother Thomas Ward, Brother Rene Clerc, Mrs. Pat Vigil. MIDDLE ROW: Brother Michael Livaudais, Miss Cathie Berniard, Mrs. Pat Beter, Brother Benildus Sulzer. BOTTOM: Brother Paul Fitzgerald and Mrs. Judy LaCour.

ENGLISH DEPARTMENT STRESSES BASICS AND ABILITY LEVELS

Mrs. Judith LaCour is chairman of the largest department on campus. This year her department emphasized grammar drilling and the basics in reading and composition. Though there was some study of literature, most classes gave the priority to mastering basic writing skills. Reading and Speech were also fundamental to the department's program. Each level's resource center program was vital to any success that was met.

SENIORS GET CLOSE-UP VIEW OF WASHINGTON

Mrs. Mary Culver, senior Government teacher, accompanied twenty-one senior classmen to the nation's capital for an educational experience they will long remember. The students saw some of Washington's most important spots and took in some seminars on media and government, the House, and judiciary roles in government. The trip was not all work. J. F. Kennedy Theatre for the Performing Arts provided a welcomed break with a performance of HELLO DOLLY with Pearl Bailey. The Social Science Department had provided the group with unequalled on-the-spot learning experience to enhance their Government program.

BOTTOM LEFT: Mr. Gary Breaux, Seventh and Eighth Grade History. BOTTOM RIGHT: Mrs. Margie Allen, Social Studies Resource Center.

SCIENCE AND BUSINESS: INQUIRY AND PRACTICE

Mr. Doskey states that the real value of the science taught to high school students lies in its application to all subjects and as a basis for realism.

Faculty members in the department dealt with this application and realism in their classes. Senior physics students studied the principles of light and other physical phenomena with Mr. Doskey. Mr. Pat McGreevy led the juniors through chemistry and Mr.

Gus Kuntz gave his sophomore biology students a unique approach to that science. Freshmen were instructed in Introductory Physical Science by Mr.

Angelo Cavaretta and the 7th and 8th graders covered the basics in a general science course taught by Mr. Ron Henry.

Though one of the smallest departments on campus, the business faculty did a remarkable job in teaching typing and bookkeeping. Mr. and Mrs. Flowers' courses were vital since many students have business aspirations.

P.E., BAND, R.O.T.C., SPANISH OFFER ELECTIVES TO STUDENTS

This year Coach Corky Jacobs completed his ninth year as Athletic Director and as the Wolves' head football coach. Mr. Jacobs was ably assisted by Mr. Pat McGreevy who served both as 1st assistant football coach and as head track coach. Coach McGreevy led the Pack to a second place at the district meet this year. Mr. Mike Flowers led the J.V. this year in football, basketball and track, and the J.V. and the junior high teams were guided by Mr. Ron Henry. Mr. Marty Peters assisted with varsity track and football. His specialty was the defensive backfield.

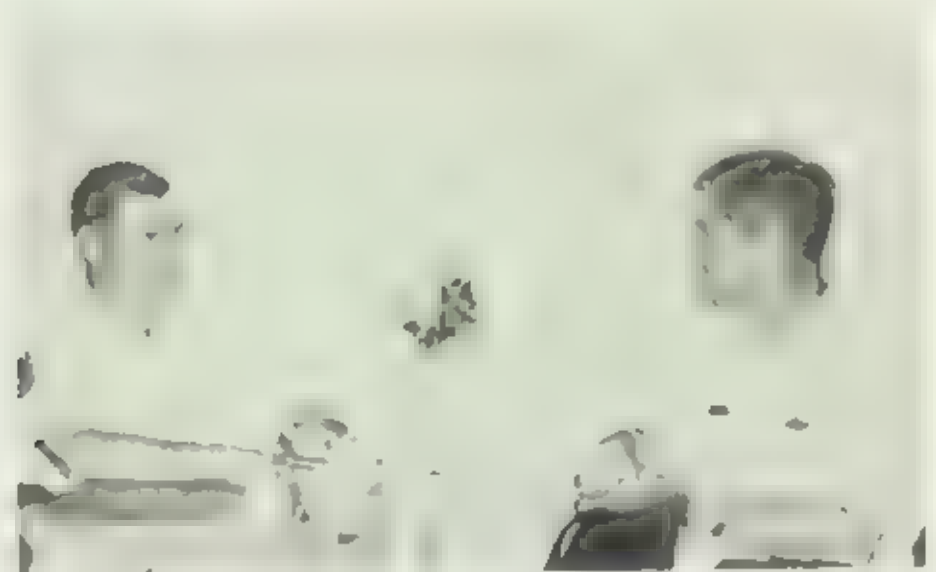

Coaches Jacobs, McGreevy, Peters, and Flowers completed their final seasons and teaching assignments at Saint Paul's in May. Their combined thirty years of tireless contributions to the community of Saint Paul's is appreciated and will be sorely missed.

The Wolves are fortunate to have a man like Mr. Gene Bennet on the staff. He has been named Athletic Director for the coming year. Coach Bennet has been a faculty member for fourteen years and has served as

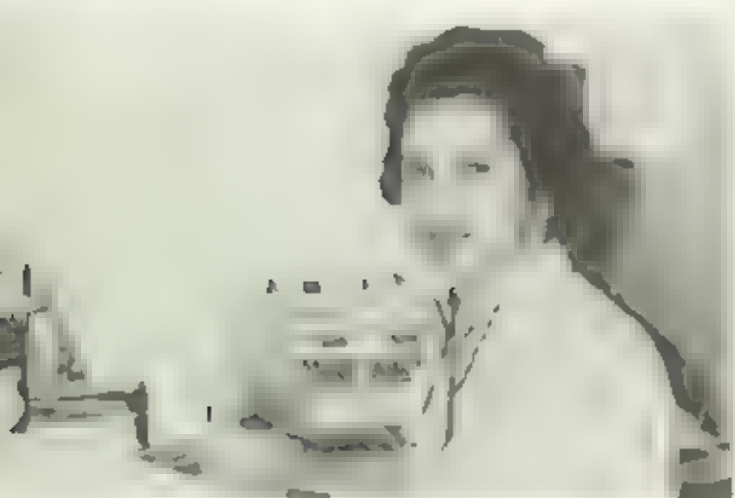

head basketball coach for twelve. He has worked closely with Coach Jacobs and will bring that invaluable experience to the post next year.

Mr. Roy Mouton led the Marching Wolves this year covering both music classes and public performances. He brought his usual style and flair for performance to the group and gave the Wolves more good sounds.

Freshman and Sophomore students studying Spanish were taught by Mr. Orlando Vigil. Senor Vigil handled both first and second year classes and had one student land a first place in the State Literary Rally.

ACTIVITIES

BLUE TEAM OVER GOLD IN FOURTH ANNUAL SAINT PAUL'S DAY

Seniors pitched in to organize and run the school through a day of spirit and community building to coincide with Homecoming week festivities. Two teams, composed of students on every level, played, swam and ran through a variety of events designed to involve faculty and students in ways other than classroom and teaching. When the points were totalled at the end of the day's activities, Blue team was declared the winners.

SPIRIT ABLAZE — 1975 BONFIRE

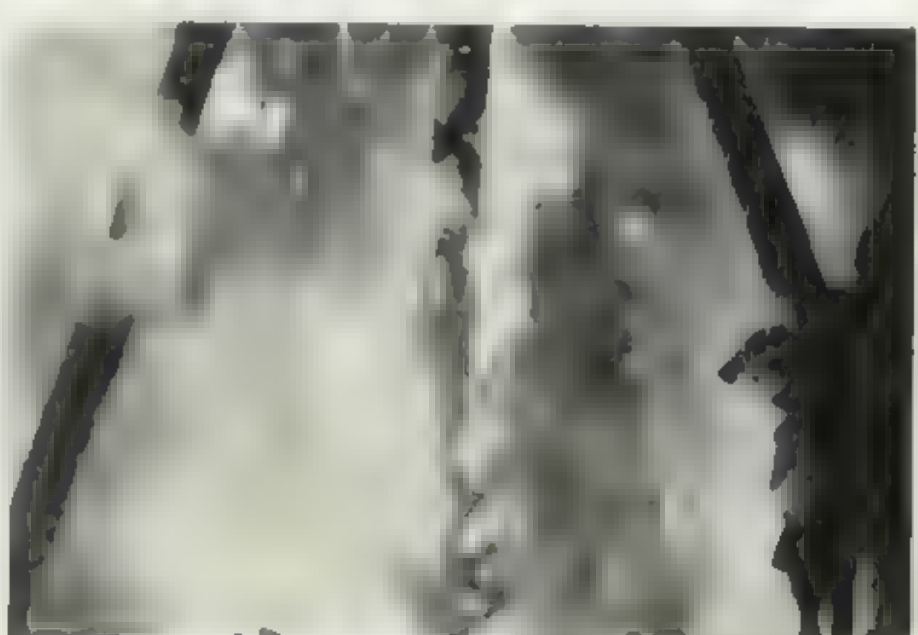

During the week preceding Homecoming, seniors poured hours of sweat and toil into one of the largest wooden teepees on record. Thursday night they all sat back tired and warmed at the sight of their work ablaze and shining in the faces of a happy Homecoming crowd.

HOMECOMING SPIRIT MOVES THROUGH COVINGTON STREETS

After countless hours of preparation, students came on flatbed trucks, pickups, cars, bicycles and even skateboards to show their Wolf spirit in the city streets. Blue and gold streamers and spirited cheering followed the queen and her court as they paraded past cheering crowds in town.

1975 HOMECOMING — ALUMNI RETURN

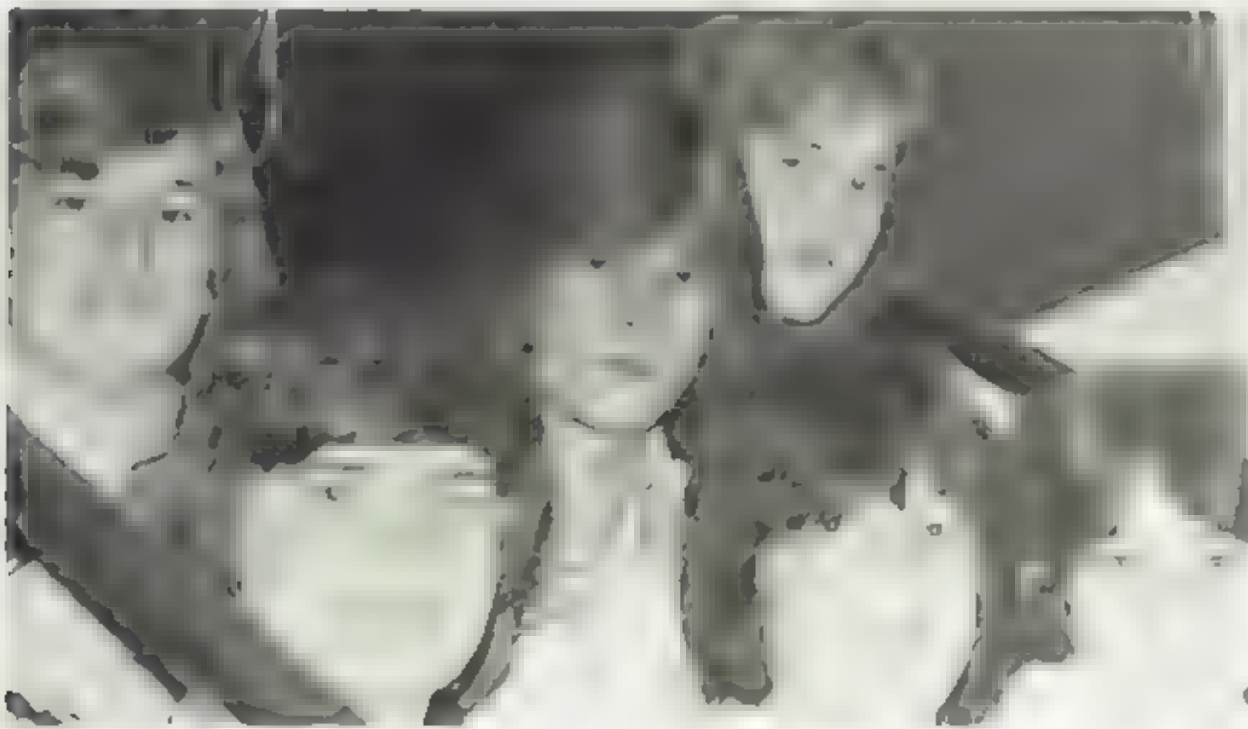

Many alumni returned to Saint Paul's this fall and saw Barbara Salter reign over Homecoming festivities on October 24. Her coronation at half time highlighted a week of Homecoming activities. The Wolf Pack provided more cause for celebration by downing Mandeville 10-7. The Homecoming Dance on Saturday night welcomed alumni back to Saint Paul's for an evening of dancing and fond remembrances.

'76 CONIFER GETS NEW STAFF — UNDERCLASSMEN LEARN ROPES

A young staff was organized this year to put together the 1976 Conifer. Brother Paul Fitzgerald and Brother Michael Livaudais thought it necessary to train underclassmen for yearbook positions so as to have some experienced students on future staffs.

Few deadlines were met, but a lot of learning did take place. The results are twofold: a '76 edition the staff is proud of and the promise of better ones to come.

NINETY-ONE SENIORS ATTEND RING MASS

In September a ceremony was held at Saint Peter's Church to heighten the symbolism and significance of seniors receiving their class rings. Parents and students attended the Mass and ceremony which stressed the qualities of leadership and cooperation which would be called for during the seniors' last year at St. Paul's.

QUINT-A FINISHES BUSY SECOND YEAR

Quint-A is a sub-committee of a group of concerned parents who are working to better communication between parents, students and their school. The student sub-committee seeks out avenues of involvement in the hopes that working and doing things together will help bridge the distance between us.

This year's group was busier than ever. Pictured here are families and groups enjoying themselves at the first family picnic held. The group also participated in a forum with parents on the "Responsibilities of parents regarding Law Enforcement." An organized student section at football games was part of Quint-A's promotion, and a number of members enjoyed some old-fashioned Christmas caroling through the school's neighborhoods. The last event was a student square dance complete with a caller from New Orleans.

KEY CLUB NAMED OUTSTANDING ORGANIZATION

The Key Club at Saint Paul's is an active service organization. It is an opportunity for students to develop qualities of leadership, cooperation, initiative and community. The members devote time each week to work on campus and in the local community. Its membership is by invitation only and the work is gratuitous and whole-hearted. This year, Key Clubbers paid frequent visits to the Home for the Aged and the Fair Haven Children's

Home.

Members pitched in with preparations for graduation and Senior Night, and organized feature movies for the boarders after holiday breaks. Leadership workshops were held for six of the district school key clubs in November. Our club was named outstanding district organization at the annual regional convention. President Bill Hall and executive officer Gerald Nuss were recipients of awards for their outstanding contributions at the annual Saint Paul's Awards Night.

STUDENTS WIN HONORS AT STATE SCIENCE FAIR

St. Paul's science department was well represented at both the regional and state fairs this year. Judges had chosen the best of nearly two hundred exhibits at St. Paul's fair in February. Exhibits varied from a classification of EUGLENA to the total hip operation. Special recognition was given Pat Borgen and Robert Lapotaire. Lapotaire's theory of color vision was given careful scrutiny by local and state authorities who were extremely interested and pleased with the possibilities Bob's theory posed.

STAFF GIVES PACK PRINTS NEW LIFE

After a year of not knowing whether the school newspaper even existed, senior Ken LaCour and a group of interested students combined efforts to rejuvenate the school publication. It was decided to begin small and strong - 4 issues to coincide with major holidays and semester breaks. The design, according to editor Ken LaCour, was to interest and instruct underclassmen in putting together the paper so next year's staff can organize and begin publishing at the year's start.

EVERYBODY WINS AT DONKEY BASKETBALL GAME

Seniors and faculty gave their best at this winter's contest in spite of some ridiculously stubborn odds. The beasts of burden did their part in walking, kicking and not-moving to add to the hilarity. A laughing crowd saw the faculty outscore the seniors in points and bruises.

AFJROTC COMPLETES EIGHTH YEAR — PASSES WITH FLYING COLORS

The Air Force Program has as its purpose to acquaint Sophomore, Junior and Senior students with the aerospace age, to develop informed citizens, strengthen character, promote an understanding of the role of the citizen airman in a democratic society and motivate students for careers in aviation. It is hoped that the cadet will develop attitudes which contribute to a higher degree of personal integrity, self-reliance, discipline and respect for constituted authority.

In addition to classroom instruction and drill, students this year were given varied experiences each semester at local facilities. Underclassmen traveled to the National Weather Center in Slidell, Keesler Air Force Base, and the Air and Army National Guard centers. Senior cadets took advantage of an opportunity to see the National Space Technology Lab in Bay St. Louis. One hundred and five students were enrolled in the program this year. Flag raising, football games, assemblies, parades and graduation were all dressed up this year with the Air Force color guard and cadets. Their ninth year on campus promises even more participation.

GOLDEN BLUES — STYLE AND GRACE

Under the guidance of Mrs. Tommie Siegrist, this talented group of dancers displayed Wolf pride and spirit with grace and style. Their beautiful form and precise movements led the way for St. Paul's Band's great sound. It was another example of the united effort seen by St. Paul's and St. Scholastica as brother and sister schools.

WOLVES GET DOWN. TIGHT SCHEDULE — GREAT SOUND

This year's music department continued spreading good will and great music to thousands of eager listeners. The Marching Wolves have built such a reputation that Brother David has a hard time meeting all the requests for our special sound. During Mardi Gras, Mr. Mouton received invitations to participate in sixteen parades.

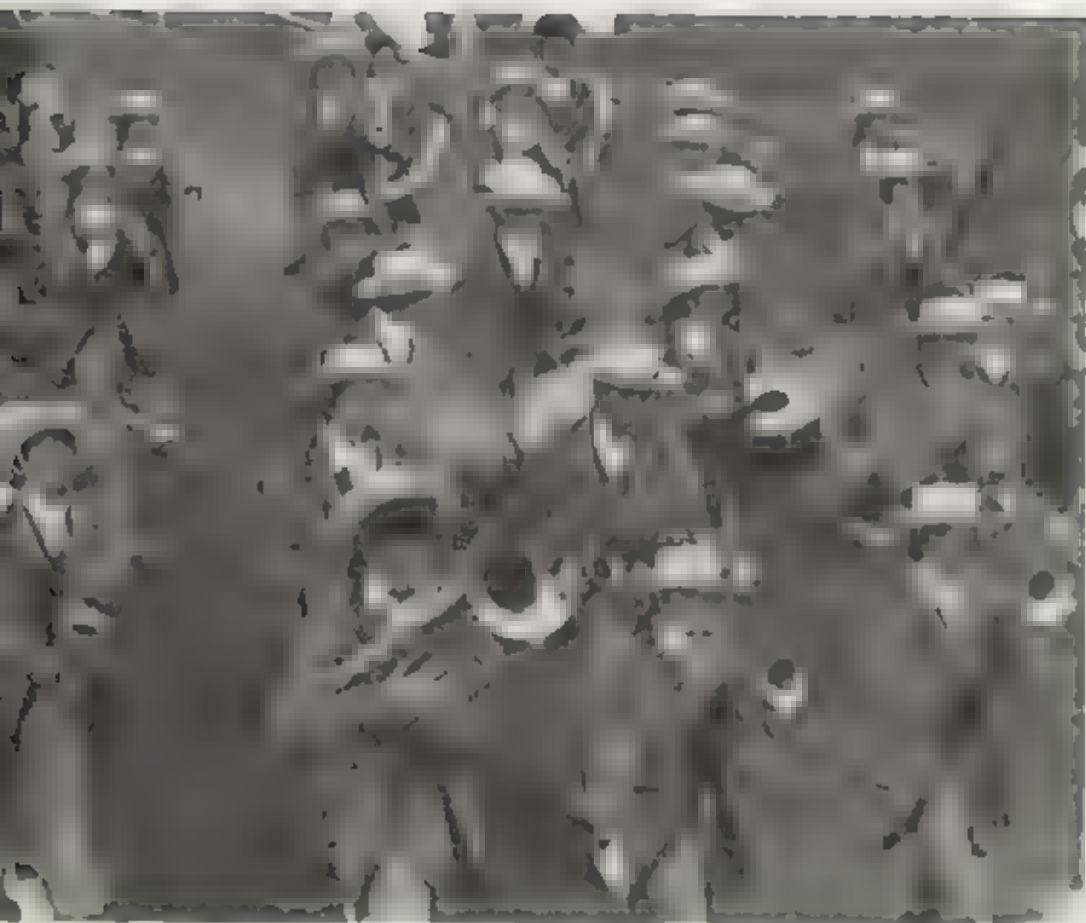

Playing for the Jazz at the Superdome, the Bicentennial Freedom Train, and the State AAAA football championship at SLU in Hammond were just a few of our public performances. Home crowds were equally satisfied hearing the Wolves at football games, the Saint Tammany Parish Fair and the Veteran's Day Celebration at City Hall.

HOBOES TAKE OVER STUDENT CENTER FOR SAINT PAUL'S TALENT SHOW

Hoboes of all description congregated on April Fool's Day for the "Hobo Review" - the 1976 version of Saint Paul's annual talent show. More than 600 jammed the student center to see and hear talented students from the three area high schools.

Led by a troupe of costumed emcees from St. Paul's and St. Scholastica Academy, numbers presented ranged from vocal and instrumental solos to tap dancing.

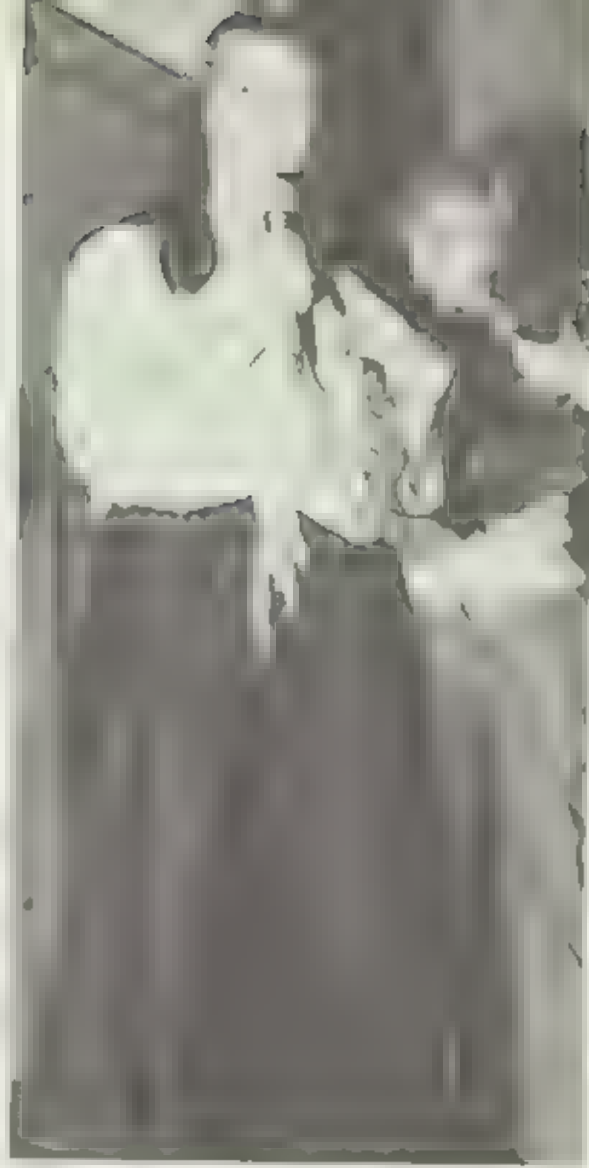

Soul music, a rock group called Eclipse, magic shows and TV sketches all added to the fun.

The large crowd left the Wolfeland train station relaxed and happy - another feather in the cap of Mrs. Judith LaCour, talent show coordinator. Special thanks went to Mr. Ken LaCour,

Bro. Harold Heap, Mr. Gus Kuntz, Sergeant Harold Jenner and Mrs. Edith Welch for their work in preparing the student center for the presentation. A good time was had by all!

KIWANIS RECOGNIZE HONOR STUDENTS

Thirty-four students from Saint Paul's were honored on Wednesday, April 21, in Mandeville by the local Kiwanis Chapter. Students pictured here all maintained a 3.5 average in academic courses. The ceremony was held in Mandeville High School gym and was attended by students and members of their families.

NATIONAL HONOR SOCIETY INDUCTS 12 MEMBERS

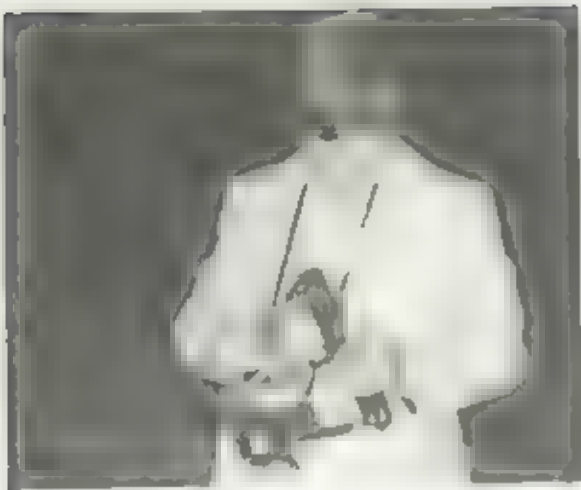

Twelve seniors were chosen by the faculty as nominees for induction to the Saint Paul's Chapter of the National Honor Society. The induction ceremony was held March 29 in Our Lady of Peace chapel on campus. The purpose of the society, according to its charter, is to promote scholarship, leadership, character and service in its members and through the members the whole student body.

1976 CAMERA CLUB SERVES WELL AGAIN

One of the most overlooked organizations on campus is probably the photography club. This year the group was entering in its efforts to cover school events for publicity and the Conifer.

PRIDE IN ST. PAUL'S HIGHLIGHT OF SENIOR NIGHT

Seniors crowded the school cafeteria in early May for the last informal gathering of the class of '76 before graduation. Mr. Dick Berkowitz and several class members organized an evening of fun and memories that added a special flavor to the end of the year celebrations.

Mr. Corky Jacobs highlighted the evening with remarks regarding the pride we should feel in being part of St. Paul's. It was a night full of fun, memories, laughter and serious expressions of the class' appreciation to all that was St. Paul's for them.

JUNIORS HOST SECOND SAINT LA SALLE DAY

The Juniors found themselves upperclassmen on campus as the seniors left for home after exams.

Traditionally, the new seniors pick up the responsibility of running the second community-centered school day of the year, Saint La Salle Day.

The day began with a celebration of Mass with Fr. Gerald Hindman, school chaplain, under the pines.

Brother Henry Werner, Assistant Principal, spoke about Saint La Salle during the homily and for a few moments showed how the virtue and dedication of this great saint was evidenced in the life of our own

Brother Arthur, who passed away last September.

Brother Arthur lived 63 years as a Christian Brother and spent 16 of those years here at St. Paul's. The day was dedicated to the memory of Brother Arthur and with the stated hope that the work Saint La Salle had begun would continue through men like him.

Games, swimming, baseball, track events, volleyball, fried chicken and fun all added up to one of the most successful community days yet. The

Gold team edged out the Blue in points, but no measurement could be made of the fun and enjoyment everybody felt.

JUNIORS AND SENIORS BOOGIE TO MONTAGE

In New Orleans, the Royal Sonesta Hotel was the site for the 1976 Junior-Senior Prom. Music was provided by MONTAGE, an out-of-state group who brought their unique style to the Crescent City. The celebration began at nine p.m. in the Main Ball Room after a supper party for faculty and students. By one a.m. everyone was about ready to continue the celebration at private parties and dances.

NINETY-ONE SENIORS GRADUATE MAY 16

The smallest senior class in recent memory held commencement exercises at Saint Joseph's Abbey on Sunday, May 16. Doctor Alton Ochsner delivered the commencement address and Father James Boulware, OSB, was principal celebrant for the Graduation Mass.

Brother David Sinitiere thanked parents and family members for their contributions to their sons' total education and concluded the ceremony by conferring the diplomas.

BREAK 190 — YOU'VE GOT THE BIG-H

Brother Harold Heap came to Saint Paul's in August of 1970. Since that time he has become one of the most invaluable resource people on campus.

His talents for organization and planning are only surpassed by his generosity in using those talents. No matter what the club, team, or organization, Brother Harold is eager to lend a hand year-round.

Some of his many contributions are staffing the boarders' recreation hall; maintenance in La Salle Hall; driving teams, cheerleaders, band and clubs to games, parades, meetings, etc.; running school errands; facilitating the postal service on campus; setting up for Parent-Teacher meetings and assemblies in the cafeteria and student center; head of the audio-visuals department - the list is endless.

Brother Harold has joined the crowds of CB enthusiasts. His handle is Big-H. He insists it stands for Harold. It could just as easily stand for the helping hand he is always eager to lend.

A SEASON TO REMEMBER

I can think of no other way to describe this year's football season. Led by an outstanding group of seniors, this football team will always have to be remembered as one of St. Paul's best. Everyone knows that the 5 and 5 record is not the best the Wolves have experienced, but from a coach's point of view, we will always remember this squad as one that contributed a little something special.

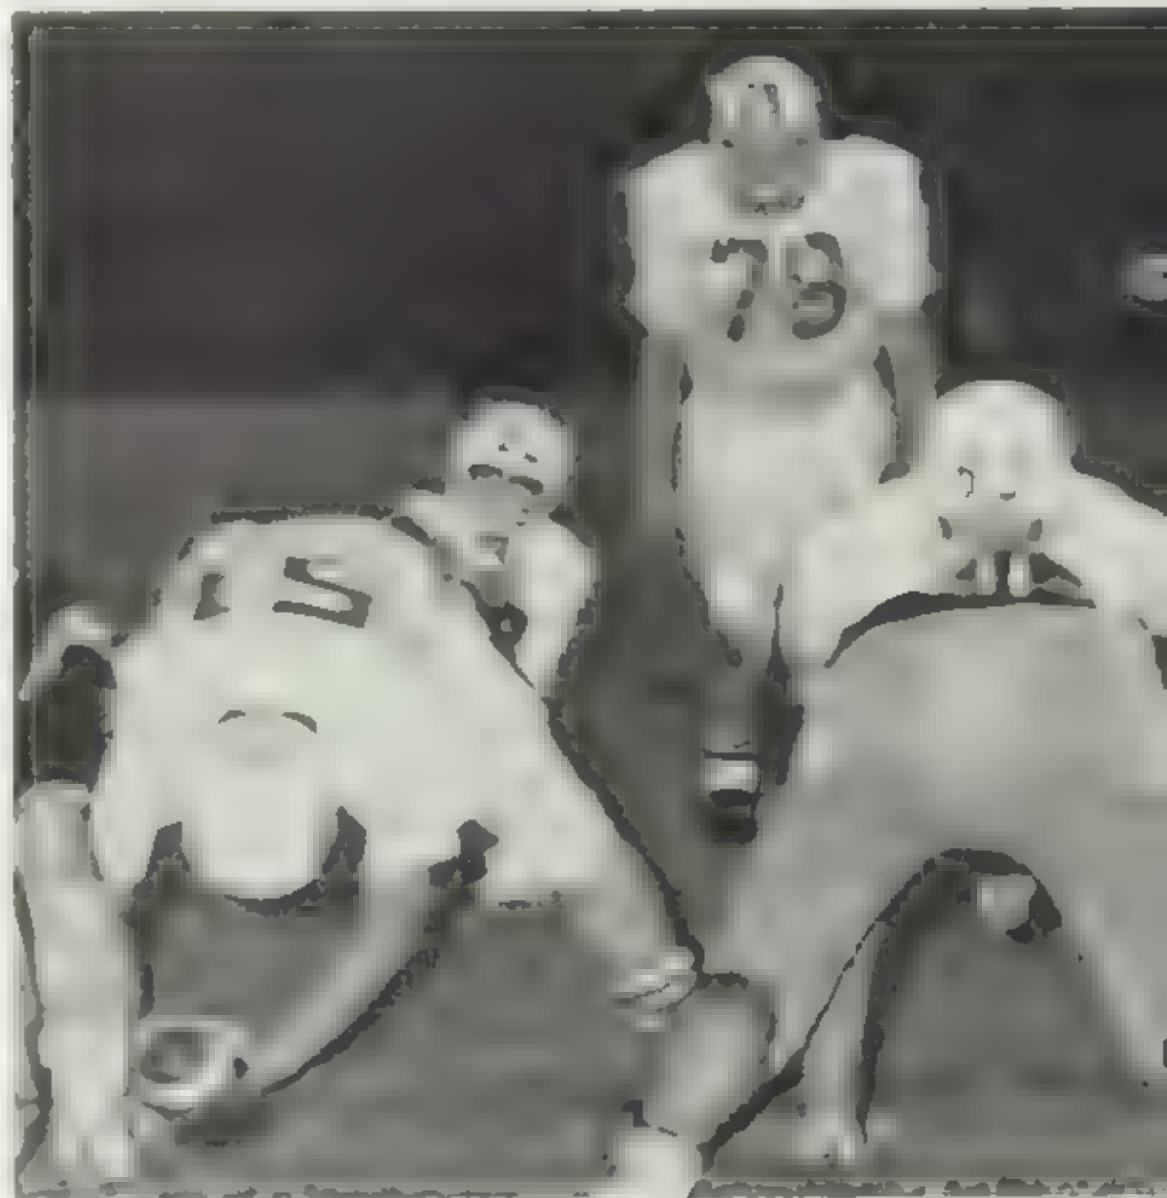

For a team to end up in the state play-offs, the first in the school's history, after experiencing almost unbelievable frustrations at the season's outset, is a real credit to the players and how desperately they wanted St. Paul's to be a winner. I know as their coach, I was extremely proud of them and in my fondest dream I hope that in some small way I contributed to such a great bunch of athletes.

St. Paul's has a great tradition in sports, as well as in the classroom, and within that tradition through hard work, sacrifice, determination and most of all PRIDE, St. Paul's teams have become ones that command a great deal of respect.

As we look back over the '75 football squad, I know that only each player and coach will long remember just how great this team was, but I will have to feel that everyone will always remember the '75 Wolves as "winners."

Frustration, Courage Hallmarks of '75-'76 Basketball Season

In spite of their many great efforts and sacrifices, the Wolves were not able to experience the thrill of victory as often as they deserved. The team consistently gave their best effort despite some overwhelming odds. They never let winning or losing stand in the way of enjoying the good competition and the satisfaction of knowing that they had given their best.

OUTSTANDING EFFORTS MARK '76 TRACK

The 1976 Track Season was extremely satisfying and rewarding. After losing many key trackmen through graduation from the 1975 District Championship Team, much in the area of regrouping was necessary.

The season started with first place finishes in two triangular meets and progressed with strong showings in the larger meets. In the season's finale, the 8 AAA District Meet, we placed second to Salmen.

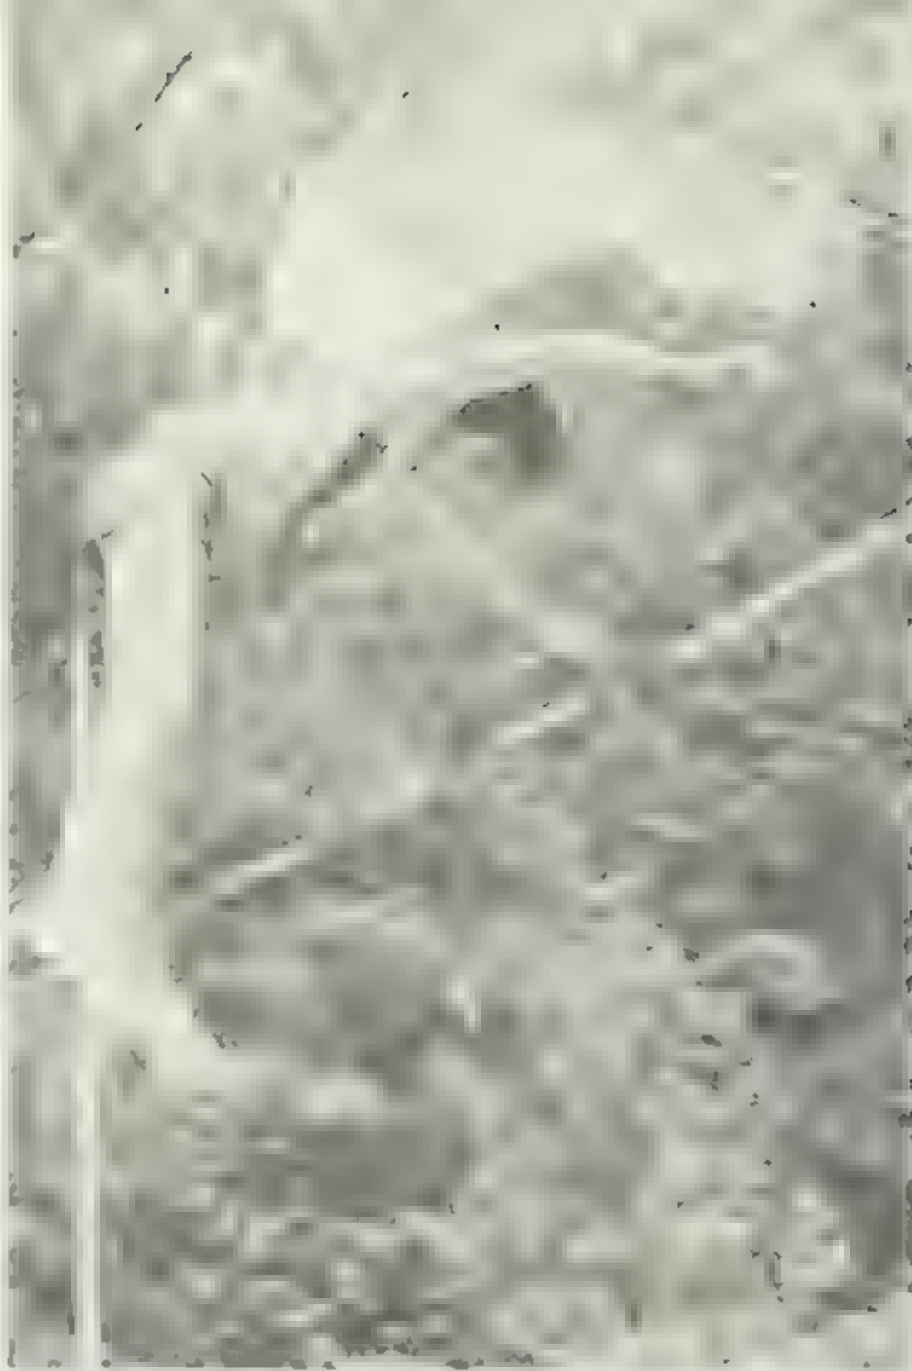

The meet itself will be remembered for the traditional outstanding effort and competitiveness exhibited by the Wolves.

We, as coaches, felt the key ingredients attributing to the success of this year's track team were an unending willingness to work - exhibited by all the squad members - and excellent leadership given by the senior members of the team. For this we thank and congratulate each and every member of the team.

Since this is my last year at St. Paul's, I would like to take this opportunity to thank the athletes and student body for their cooperation and support. In 10 years, many memories and strong feelings have accumulated - feelings that I will cherish forever.

Remember - St. Paul's is what you make it - continue to make it the best.

TENNIS TEAM SENDS TRIO TO STATE

St. Paul's Tennis program this past year was in the process of rebuilding under the guidance of Brother Miffrando Obach and the watchful eyes of Mr. Gene Bennett. It emphasized conditioning of the players, consistency and depth of groundstrokes, and basic patterns of play. Twelve players ranging from 8th grade to 12th grade came out to practice daily. And it seemed to pay off when the team recorded wins over Rummel and Mandeville while losing to De La Salle. The team representatives took third in both singles and doubles competition during the regional play-offs qualifying them for state where they bowed to the state champ in singles and the state runner-up in doubles.

This year's team, coached by Mr. Billy Walker, participated in the 11 AAAA Golf League in New Orleans. Assisted by Brother Duane Gregory, Mr. Walker's team placed fourth at the Regional Meet in Baton Rouge.

Losing only three seniors, next year's team is hoping for a strong showing in the spring.

1975 BRINGS SCUBA FEVER TO SPS

With encouragement from Mr. Joe Ruffino, Saint Paul's students had the opportunity to enjoy an entirely different kind of experience this year. BOARDERS ON BOARDING

Saint Paul's prides itself for providing a unique educational experience. Boarding students have the rare opportunity of seeing that experience in the fullest context. Here, in their own words, is what some boarders think of Saint Paul's resident program.

**"i like boarding in the sense that it
helps you do well in school."**

— junior

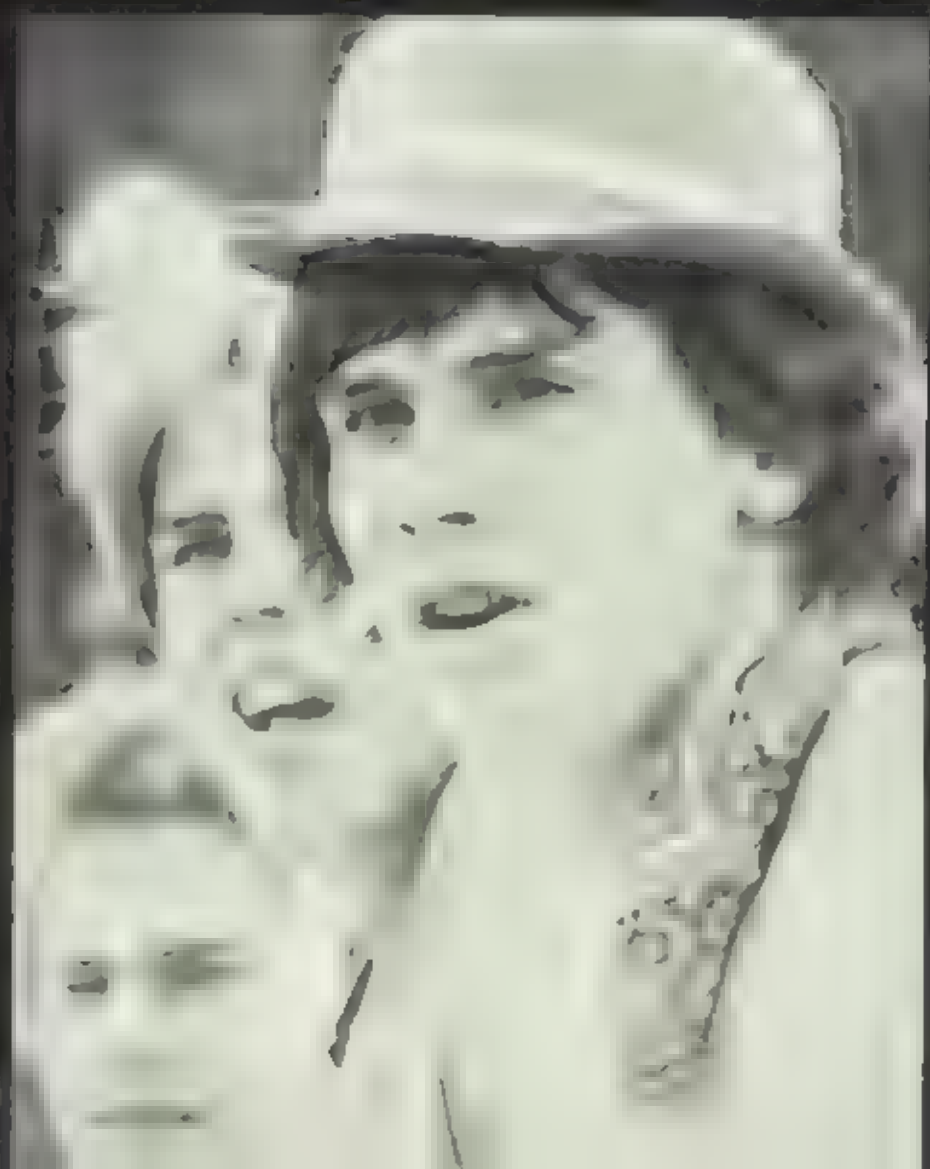

**"boarding gives you a
sense of responsibility —
it helps you grow up."**

— junior

**"i like being around
kids my own age."**

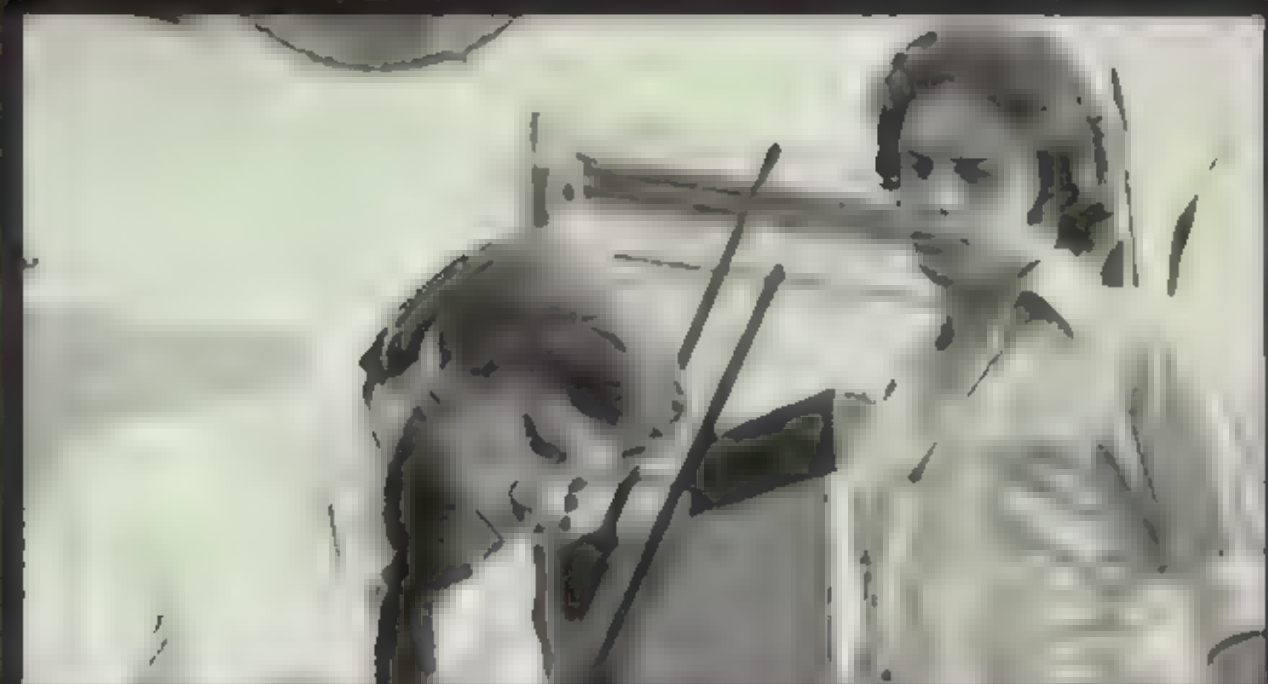

— sophomore

IL'S

"the brothers take time to help you through something — a lot of other places wouldn't help you do that."

— senior

"the whole thing revolves around personal relationships . . . they do care about you a lot more."

"dorm life is tough if people think only of themselves."
— junior

— '75 graduate

"its being small, you're
a lot closer group."

— junior

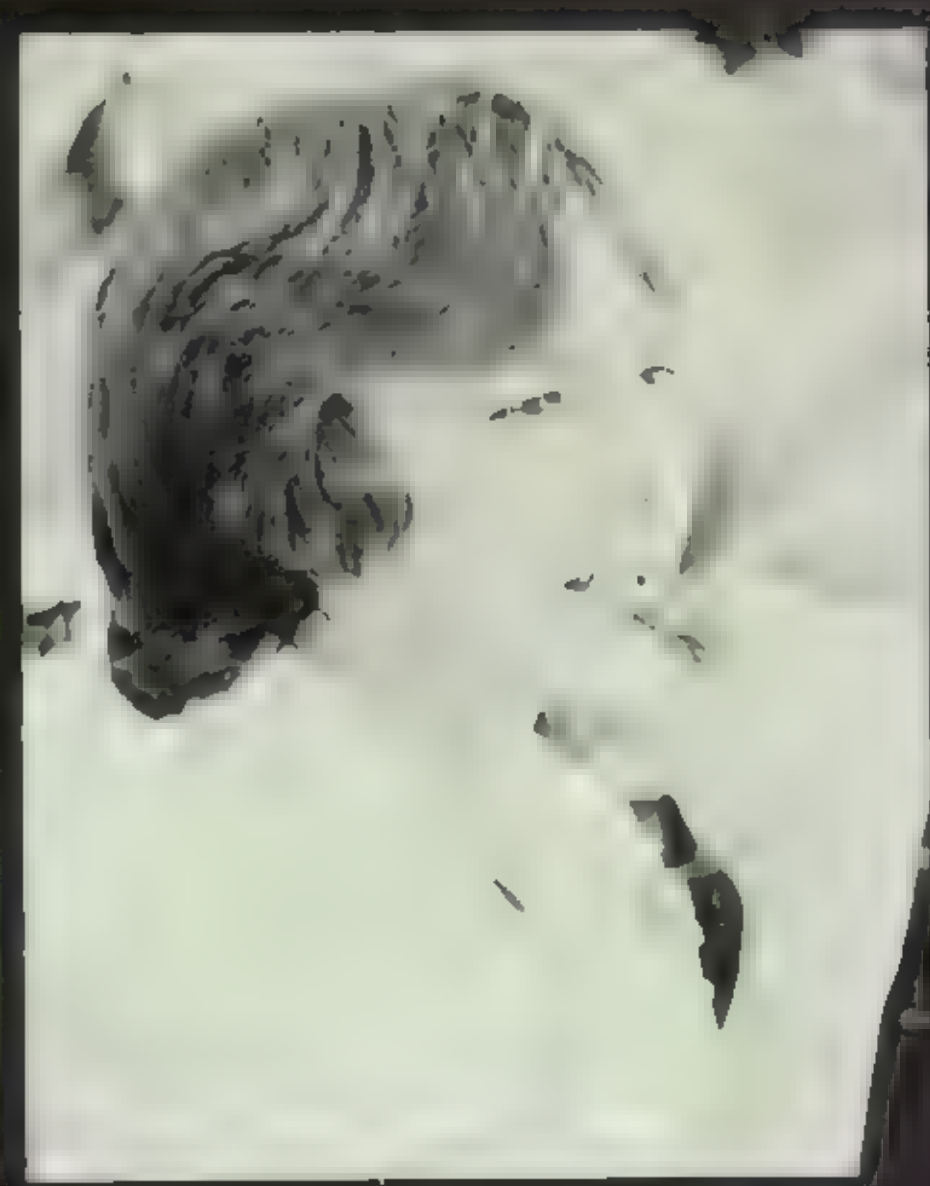

"a chance to think . . .
instead of watching tv, you
think more and you get
active in things."

— junior

"you can see yourself a lot
better because you're around
your peers. you get a better
picture of yourself because
of people's reactions to you."

— junior

"anyone who boards will
have to face himself and his
relationship with others."
— '75 graduate

"time for school and relating
to people of every lifestyle"
— junior

"it gets tough"
— freshman

"sometimes i'd like to take
off — just go off riding"
— junior

**"you have more time
to think about problems.
you stick to them,
and people help you
with them."
— junior**

**"it's like realizing certain things
and saying the payoff is worth it."
— senior**

"everything

you go through,

every step,

every issue

is going to be

part of what

you'll be

when you leave."

— senior
